CAPITAL CITY FIGURE SKATING CLUB

The Club is a member of the United States Figure Skating Association which is dedicated to the progress of ice skating. The clubs of the USFSA are the stimulus required to produce Olympic and World's champions.

Membership is open to interested persons of all ages. Dues are nominal.

Throughout the skating year the club conducts a series of skating sessions for its members of various ages. Group instruction is provided for beginners and younger members of the club.

Membership in the Capital City Figure Skating Club automatically registers the member with the parent organization; this entitles the person to take tests (figure or dance or both), participate in competitions, carnivals, ice shows (amateur), etc., as sanctioned events.

Our club activities are designed to encourage ice skaters of all ages and abilities.
